El-Qist: Journal of Islamic Economics and Business (JIEB) is a peer-reviewed international journal published biannually by the Department of Islamic Economics, Faculty of Islamic Economics and Business, UIN Sunan Ampel Surabaya, Indonesia. This journal is dedicated to advancing scholarly discourse in the fields of Islamic jurisprudence and economics by addressing contemporary issues and challenges within Islamic studies.

El-Qist welcomes contributions from scholars and experts across disciplines, encouraging research that meets rigorous academic standards. While focusing on Islamic jurisprudence and economics in the Indonesian context, the journal also explores themes such as Islamic philanthropy, socio-economic practices, and their influence on local and global economies. By embracing a multidisciplinary approach, the journal fosters meaningful dialogue on the intersection of Islamic thought, economics, and societal values. With a strong commitment to academic excellence, *El-Qist* aims to be a leading platform for impactful research that contributes to the future development of Islamic jurisprudence and economics.

The journal has been accredited as a scientific journal ([Science and Technology Index/ Sinta 4](#)) by the Ministry of Research and Technology/National Agency for Research and Innovation, Republic of Indonesia (SK Kemenristekdikti No. 200/M/KPT/2020).
